“A concert for body, mind and spirit presented in an urban, refined way”

Luigi Gageos –Producer of the event

Defined as **concert-event**, **PROMS Jazz & Classic** brings a new musical concept: a featuring between top jazz and classic artists, from different countries, interpreting together fusion jazz-classic pieces, with musical arrangements starting from popular jazz, blues, pop themes to classical music and film scores.

Each event of PROMS Jazz & Classic European Tour taking place beginning with December 2010 until May 2012 in **5 countries: France, Germany, Italy, Moldavia and Romania** is designed to be an attractive show for large audiences, regardless of age or musical education.

The first concerts will be held in Romania:

- **Sibiu/ 8th of December / 8:00 pm/ Thalia Hall**
- **Bucharest / 9th of December / 8:00 pm / Panorama Hall,**

having as special guest the **Orchestra da Tre Soldi**, nominated in 2008 by the prestigious Jazz Magazine for jazz album of the year, “Best Jazz”.

The 7 musicians evolved in their career along with famous artists like **Pavarotti, Riccardo Muti**, and in famous orchestras such as **Rai Symphonic Orchestra Torino** or **Sanremo’s Symphonic Orchestra**, being special guest at **Sanremo Festival** and in shows directed by **RaiUno** or at the **Winter Olympic Games** in Torino.

Jazzitalia.net describes the performance of the band as a **must-have** for all music lovers. You have to witness the way in which the accordion, clarinet, violin, the voice, the cello, contrabass and guitar blend together in the original interpretation of the Italian group, to better understand how an ordinary evening can rapidly be transformed into an exquisite show, impossible to be refused.

The Orchestra da Tre Soldi will delight the audience with a concert full of sensibility, passion, virtuosity and irony, based on an exceptional repertoire. The audience will be spoiled with pieces of tout court pleasures: jazz, fado, tango and medieval music.
